A Huge thank you to those members of the School Community who have stepped off after serving for so many years, in particular Rachel Flint and Melissa Commissio. Your work has been amazing and we thank you for the time that you have given.

BUILDING UPDATE

Even more great news regarding the School Building this week. As you would have received consent forms and a flyer we have the Deputy Premier and Minister of Education, James Merlino, coming to turn the first sod on the renovations this Thursday Morning. We extend an invitation to you all to come and hear what Mr. Merlino on Thursday 28th March from 9.15am. We will also be having a Morning Tea for you all to come and meet the team and see what is happening in our magnificent school. This is an exciting week that we have coming up and we can't wait to share it with you. Please make sure you drop in so that we can give you the information on what is happening.

PUPIL FREE DAY

Monday 25th March is a Pupil Free Day for staff to continue their training in Fountas and Pinnell - Learning Literacy Workshops. This will be the second of these trainings that the staff have been involved in and they are doing a great job to help your students become better at what they are learning. So students can have a nice relaxing day with their families. Enjoy!

That's about all for this week. Hope to see you on Thursday and chat next week with you all.
