Principals Message

A somewhat different Principals Message this week, with Ms. Varty unfortunately being unwell all week. Our thoughts are with her and hope that she gets better soon.

With the Last Week of Term coming up, we look forward to a number of exciting opportunities for all the school. Monday and Tuesday will be classes as per normal, while Wednesday we are excited by the Footy Colours Day organised by Mr. Turner. This is a day that students can come to school and support their favourite football team of any code and bring a donation that will go towards finding a cure for cancer. Please see over the page for more details.

Thursday we will be heading to the Werribee Zoo. This excursion is going to be an exciting one, however we are leaving at 7.00am SHARP. We will be coming home between 4.30 and 5.00pm, so it will be a long day. Please make sure your child/ children have enough snacks to eat and water to drink for the day.

Finally Friday, is our last day of term. How quick has the Term gone? This was a comment by one of the students this week and we have to agree. The day will finish at 1.15pm after what will have been an extremely hard working morning. We will be pushing through the morning session to get everything completed prior to holidays.

HATS

Just a reminder as in last weeks newsletter, hats are required uniform for the first day back next term. Our No Hat, No Play policy will take affect from the first recess, so we would like to see all students in their school hats. If you have lost yours or can't find it then please put an order in with the order form on the back of this newsletter!

ABSENCES

Please make sure that you continue to let us know when your child/children aren't able to make it to school. This is very important that we know when they aren't coming to school or when they are late. Please contact the school on the office number and if it goes to voicemail then please leave a message.

Also you can go to our website and go to the ABSENCES under the PARENTS Tab on www.ardmonaps.vic.edu.au and fill the form out and that will send an email to us.

THANK YOU

A huge thank you to everyone that has helped promote the school throughout the term. Whether that by letting someone know about school or helping on the day. We have been super impressed with the turnout of the parents and helpers across the term.

Please as a reminder if you want to know what is happening in the school head to our Facebook Page and give it a 'Like'. You will get to see some exclusive photos that miss out on publication here and also keep up to date with excursion times.

Talk to you next week.

THE WEEK IN PICTURES

On Thursday this week we got to head to the Rumbalara Football Club ground for ASHELTICS and their ASHEFEST day. It was a great day that all students had. We got to experience some of the Indigenous culture with the students getting to try some games and also get their face painted and a number of other activities. Have a look at the pictures below for some of the reaction. Thank you to **Mr. Turner** for organising this!

FROM MR TURNER'S DESK

Hi All;

I am excited by the last week of Term.

On **Wednesday 18th September**, we will be having our Footy Colours Day. We encourage all students to come to school in their favourite football teams colours, and there will be extra prizes for any students that turn up in North Melbourne colours.. Haha...

We will be having some hotdogs and a pop top supplied for the students on Wednesday! So if you can **please bring \$5** with you for this day. Out of this will also be your gold coin donation that will go towards cancer research!

Also, just a reminder that we have the trip to Werribee Zoo next **Thursday**. Please bring you permission form back and the \$20 with it!!

Thank you and have a great week!

SHOW YOUR TRUE COLOURS!

Awards

For some excellent work in Maths this week. Beau is an absolute wiz at Maths and has been showing off his skills with his work with fractions this week. Keep up the awesome work Beau!

Hudson has been doing some great work in his Maths this week and is extending his learning to some great levels. It has been awesome to see how far he has come in regards to this. Keep up the great work Hudson!

Prep Enrolments for 2019/2020.

We are currently accepting enrolments for the 2019/2020 School Year. There are information packs at the front office. If you have a Prep for 2019, or know someone who does please don't hesitate to contact the office on Thursday's or Friday Mornings to arrange to collect a pick up of the Enrolment Pack. Also please pass this information on to any interested families you might know.

Classroom News:

Another busy week at Ardmona PS with ASHEFEST on Thursday and our open day on Friday. Both days were a great deal of fun.

At ASHEFEST we celebrated Indigenous culture by playing some traditional Indigenous games, dancing and creating some art. Open Day was a great showcase of our students hard work and showed the community what our school is all about.

A great effort by all involved. In Literacy we have started looking at a new reading strategy called paraphrasing which is putting information into our own words. In maths we are still continuing on with our unit on fractions and this week we have been exploring improper fractions and mixed numbers.

Just a reminder next week we have Footy Colours Day on Wednesday so come dressed in your favourite footy colours.

On Thursday next week we also have our excursion to the Werribee Open Range Zoo, we are leaving at 7AM sharp and are asking families to bring \$20 per student to cover the cost of entry to the zoo.

UPDATE FROM: GREATER SHEPPAR-TONCOLLEGE (INTERIM NAME)

SCHOOL DESIGNS

The Deputy Premier and Minister for Education, James Merlino MP, visited Shepparton today to unveil the designs for the new secondary school.

The Ministers Press Release is available here: https://www.premier.vic.gov.au/designs-for-new-world-class-shepparton-school-unveiled/

Renders of the school design – including a video fly through – are available from the Greater Shepparton College (interim name) school website. https://www.greatersheppartoncollege.vic.edu.au/

Feedback about the design from the students and staff who attended the Ministers visit today was overwhelmingly positive, and the designs will provide the contemporary teaching & learning and health and wellbeing spaces that we were seeking.

The Minister spoke to the Shepparton Education Plan being one of the most important projects in regional Victoria, and affirmed the government's commitment to the project.

As a project team we thought you'd all want to see the designs for the new school. Please have a look, the designs look amazing.

UNIFORM VOUCHER PROCESS - CURRENT YEAR 6 STUDENTS

Please read on for important information about the \$200 uniform vouchers for 2020 Greater Shepparton College (interim name) students, specifically for current Year 6 students.

If you currently have a child in Year 6 who will be enrolled in Year 7 at Greater Shepparton College (interim name) next year your child will receive a form and an information sheet about the uniform voucher process early in Term 4, 2019.

Parents/carers are asked to please fill in the form indicating your choice of uniform retailer for each child (the uniform retailer options will be on the form), sign and return to McGuire College.

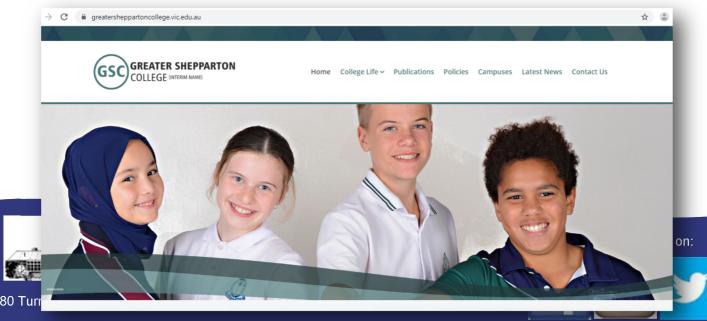

Completed and signed forms for current Year 6 students need to be returned to McGuire College by Thursday 17 October 2019.

Following receipt of the form, a voucher will be prepared for each child to the value of \$200 in the name of the requested uniform retailer, and distributed to students.

The voucher can then be redeemed from the nominated uniform retail shop.

Please ensure that you complete a form for your current Year 6 students if they will be attending the new school next year, so that your child can be included in the \$200 uniform voucher process.

If we do not receive a completed and signed form, we will not be able to factor your child's needs in or issue you with the uniform voucher.
