

NEWSROUND

Principals Message

What an exceptional week it has been with such exciting and vibrant news with the announcement of funding for the Shepparton Super Schools project and also for us "Awesome Ardmona". The State Government announcing funding of \$500,000 for building improvements. I am more than delighted and privately, never in 17 years of working within the school thought that I would see this much needed funding provided. It is quite a heartfelt moment.

The journey is continuing with my close colleagues within the Regional Office and Victorian Schools building group facing the challenges of investigating the state of our building with engineers reports being written to be submitted by the 13th April for feedback. This will support the recommendations we shall take.

I cannot reiterate enough the amount of energy, enthusiasm and support that the team contribute daily at the school in so many facets. We are in such a grand space and need to celebrate and share in voice the brilliance of our magnificent school and all key stake holders! Our students nothing but the best.

REMINDER...

Have you noted this one??? Yes days will creep up upon us, thus do check that you HAVE noted that May 7th as a Pupil Free Day for students with staff attending Melbourne for completion of professional learning. Relief teachers including Mrs. Overall and Mrs. Gill will attend the next day, May 8th, to work in classes.

SCHOOL COUNCIL

The next meeting for School Council shall take place on the 21st May. Prior to the meeting commencing a quick briefing will be provided by past staff member, Mrs. Canty, on the Memorial stage update. I have made personal contact with Dr. Morwenna Collins, who is terribly keen to connect with the school and its community. The possibilities are endless. The meeting shall be a handover for income involved including the School buildings. This is an opportunity for those of you who have a vested interest in history to research, explore, discover and continue with the sustainability of the project.

Talk to you Next Week!

Ms. Jean Varty

Awards

Principal's Award!

For quite unique teamwork and enjoying the challenge in music last week, Kydan Miller is this week's Principal's Award Winner. Kydan is really keen to investigate sounds, patterns and is a team participant. Keep up the good work Kydan!

Stars of the Week!

Trent has been showing great leadership skills this week (and always) and has been helping out some of the younger students with their work. Trent is a great role model for the younger students and sets fantastic examples. Great work Trent!

Trent Benjamin (4-6)

Jedd Loffel (P-3)

Jedd has been producing some great writing throughout the last week and has showing some great effort in class. Awesome job Jedd.. Keep it up!

Classroom News:

Grade P-3: This week in the prep-3 room we have been working really hard. We have been focusing on our reading and spelling activities as well as writing. The spelling is amazing so far and they are making great progress. We have also been looking at the elements that make up a narrative writing piece and the students are experimenting with a 'have a go' journal and I am proud to say that it seems to be going very well.

We have seen great working in the numeracy side of things as well. We have continued our learning about addition and various elements or areas of addition. This is great that they are doing well.

Please remember to send your students reader packets every-day.

- Mrs. Sciuto

**Give
it a GO.**

Grade 4-6: This week we have been looking at the importance of ANZAC Day and remembering those that have fallen in war. We also have had our own school memorial service on Tuesday afternoon ran by our school leaders, Tiearne and Toby. I was very impressed with how respectful the students were in participating in this service, they should be very proud of themselves! In literacy we are continuing with looking at narratives and creating our own narratives. Numeracy this week sees the 4-6 class continuing on with addition and subtraction, in particular we have been focusing on number stories and addition and subtraction dice and card games.

- Mr. Junks

Kindness Quote of the Week!

"Kindness is the language
which the deaf can hear
and the blind can see."

--Mark Twain

Kaileb Miller (Gr. 6)
Kydan Miller (Gr. 4)

Perfect Attendance!

Congratulations to the above students and keep up the good work in making sure you are getting to school!

IN THE COMMUNITY...

Mooroopna Hockey Club is still looking for players and if you are interested in playing then you are more than

welcome to come down and have a go. Training nights are Tuesday Nights at the Hockey Field at McEwen Reserve, Shepparton and starts from 5.30pm. If you are interested and would like some more information, please contact Mr. V at school. It would be awesome to see people give this sport a go.

Life Kids Mooroopna are hosting a Trivia Night on Friday 11th May 2018 at 7pm. This is going to be a fun night and one that will be great to get out and meet members of the community. See the flyer above for more information.
