Principals Message

This week we are celebrating Education Week which gives us an opportunity to enhance public awareness and try to highlight the exceptional teaching and learning taking place at our school. The theme this year evolves around the Arts and I am most delighted to announce that we are to reengage with the Benalla Performing Arts Group which will see the reintroduction of a Hip Hop Dance program into our curriculum. This program is one which many of you shall recall that impacted on high performance of all students within our school participating in regional spectaculars and saw us as recipients of awards! An exciting liaison with Vicky Sherriff is presently being undertaken with negotiations as to dates and programs. Already our students are excited along with myself realizing the impact on student engagement and love of learning.

SCHOOL COUNCIL REFLECTIONS

A magnificent dinner meeting took place on Monday evening with plans set for the Trivia evening coordinated by Mr. Van Dorsser. Michael is a wonderful asset to our school as you all realise and he certainly place a great deal of emphasis on promotion of the school and linking with the wider community. A true gem!

The group also are undertaking a series of interviews reflecting the great work of our school and parent voice advocating our success and family atmosphere. If you are interested in participating in this exciting initiative contact Michael or myself and we can certainly brief you. Celebrating and sharing successes is a real factor steering the school's improvement. Many thanks to the council members for their enthusiastic response.

REVIEW

Presently we are preparing for a rigorous review which shall set our plans for direction over the next few years. I am delighted to share that we will be engaging with Mr. Brian Collins to complete the review, who has a fabulous background and expertise in education having worked in a role as acting regional director North Eastern Region and has vast experience in leadership Australia wide, inclusive of recent work in the Northern Territory. I have great respect for his work and whilst he certainly shall challenge us as a community and assist us with new directions I am certain that we shall enjoy working alongside of him. He has a grand past working partnership with our school and is a true advocate for students and families.

CONGRATULATIONS

Well done to Mr. Tunks, who has met all the requirements of his full teacher registration this week. Jacob brings much enthusiasm and is most skilled in his work and is making progress in student engagement and learning outcomes this year across the school. He certainly is a delightful staff member with a very strong future in education. Great work Jacob! I am very proud of your professional commitment to our school!

UNIFORM

We have extended to all families an opportunity to purchase polo tops at the cost of \$15 each. Please complete the form attached and return with payment by this Friday.

NUMERACY UPDATES

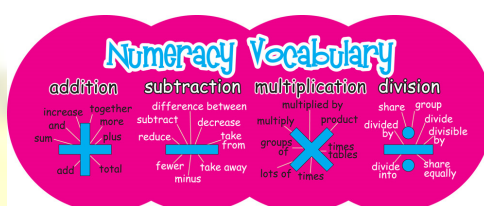

Mrs. Overall is working alongside classes in reviewing outcomes in addition and subtraction this week. Students are making brilliant progress in mathematical work with goals reviewed constantly supporting successful outcomes. This is an indication of brilliant teaching in both classes. Many thanks to Mrs. Sciuto in her role of coordinating staff professional learning alongside of Jeanette.

PUPIL FREE DAY

Next Friday, 1st June, is a Pupil Free Day. Staff will be at school doing curriculum based work, however the students are not needed at school for this day! Enjoy the day off.

Talk to you Next Week!

Awards

Principal's Award!

Tiarne has been fantastic this week in regards to the welcome and smooth integration of our new student to the school. Her welcoming and caring attitude has been well and truly on show this week in particular. Tiarne always has such a happy disposition and is always well thought of by other students. Great job Tiarne!

Stars of the Week!

Charlie has been showing great kindness and respect in the classroom and in the schoolyard, he is friendly and includes others and always has a big smile on his face. Keep it up Charlie!

Charlie RALPH

(4-6)

Ruby MADILL (P-3)

Ruby has been awesome this week, and has fitted seamlessly into the junior classroom. She is a confident and happy young lady and has showed that starting this week at school.

Classroom News:

Grade P-3: This week in the prep-3 room we have welcomed a new student. We have welcomed Ruby to our wonderful school and the students have embraced her with open arms and smiles.

We have been working really hard on our Education Week project which is sock puppets. We are looking at the aspects of design and how we can label, name and write about our puppets. We encourage parents to discuss the student's learning and what they are enjoying doing.

We have been looking at the connection between addition and subtraction and we have been trying really hard at working out sums mentally and physically using counters.

Please remember to listen to your child/children read every night and make sure that they send their reader pack back to school the next day.

- Mrs. Sciuto

Grade 4-6: We are flying through the term and we are already in Week 6! In literacy this week we have been focusing on narratives and using visual prompts to aid our writing which has led to quite some interesting and entertaining stories! In numeracy we have started the new topic of Pattern and Algebra with students exploring number patterns and sequences. Our students have been working closely with Mr. Ivan Howes and he kindly showed us how he makes sinkers for fishing rods which was extremely interesting and the student's thoroughly appreciated him taking his time to show us. In integrated studies we are still exploring natural disasters and this week have been looking at Volcanoes and in particular students have been paying close attention to current events in Hawaii with the Kilauea Volcano erupting.
