INTRODUCTION TO MAPPEN

As a part of our efforts to ensure that your child gets the best possible education, we are excited to announce that we will be delivering the MAPPEN Curriculum from getmappen.com.

The MAPPEN curriculum represents approximately three hours of teaching time each week and covers a range of topics that include but not limited to History, Geography, Civics and Citizenship, Science, Economics and Business as well as other very interesting topics. Classroom News:

Grade P-3: This week in the P-3 room it has been a short week due to the Melbourne Cup Holiday and student lead conferences, it was great to have a chat and discuss the learning and achievements of your child/children.

For the rest of the week we have been finishing off narrative writing and focus on the structure of narrative writing and the importance of images in narrative texts.

For numeracy we will be wrapping up our learning of fractions and 2D shapes.

Just a reminder about library books as well. If there are any books due please return them to school.

- Mrs. Sciuto

Grade 4-6: In literacy, we have started looking at narrative texts and how to correctly structure narrative texts. In numeracy we are looking at probability and statistics and particularly focusing on the statistics side of things. We have been applying this outside in some sport games and recording statistics. This has been a fun way of linking being active with mathematics. In integrated studies we have been learning about the human body and the respiratory system. Just a reminder to the students who have put their hands up to attend the Remembrance Day Ceremony on Sunday the 11th to please be at the Mooroopna Cenotaph at 10.00am where Mrs. Sciuto will be waiting.

HOW TO: GROW IN MOVEMBER

**Search for and Donate to
ArdMona Primary School**

Men are facing a health crisis that isn't being talked about. They're dying too young. Much before their time.

A problem this size calls for big minds, and big solutions. But there's a smaller, hairier solution to the men's health crisis. A solution you can Grow yourself. A solution that's sitting right under your nose.

Grow a Mo this Movember to raise funds and awareness for men's health. Stop men dying too young.

HERE'S HOW:

1. SIGN UP AT MOVEMBER.COM

Choose to Grow this Movember.

2. START GROWING

Start clean-shaven, then let your Mo take the spotlight and start conversations.

3. MAKE IT COUNT

Ask friends and family to back your Mo by donating. Together, we can stop men dying too young.

TIPS TO HELP YOU GROW

1. BE PREPARED

Choose the moustache that will grace your face.
Trucker, regent, connoisseur or wisp?
Check out the options at movember.com

2. BE BRAVE

The first few days, even weeks, can be uncomfortable as your Mo takes shape.
Ride it out to encourage donations.

3. IGNORE THE ITCHING

Remind yourself that men have endured worse in the past. You can stand a little face tickle.

4. SHAPE YOUR MOUSTACHE

Get across all the proper grooming techniques.
A great Mo comes down to great grooming.

5. NURTURE IT AND KEEP IT CLEAN

Look after your Mo, and your Mo will look after you.
